Information on the processing of personal data in compliance with Article 13 of EU Regulation No. 679/2016

The purpose of this notice is to describe the purposes and methods by which the Foundation “Centro italiano per il design dei circuiti integrati a semiconduttore”, headquartered in Pavia, Italy (hereafter, the “Foundation”), collects and processes personal data of the applicants to the international competitive procedure for the selection of the Foundation’s Director (the call for applications is available at https://www.fondazione-chips.it/bandi-e-selezioni/bando-direttore-2024/).

***

1. The data collected through the application for participating in the international selection will be processed and used, in accordance with Regulation (EU) 2016/679 and Legislative Decree No. 196 of June 30, 2003, as amended by Legislative Decree No. 101 of August 10, 2018, exclusively for the purposes related to the completion of the procedure itself and for the subsequent activities inherent to the potential appointment, in compliance with the aforementioned legislation.

2. The data provided by the applicants may be entered into dedicated databases and may be processed and stored, in compliance with the requirements set forth by the regulations in force and for the time necessary for carrying out the of the selection procedure, in paper or electronic form for the purposes of fulfilling the obligations that are within the responsibility of the Founding Members and the Foundation, as well as to fulfill specific obligations set forth by applicable laws, regulations and the EU legislation.

3. The conferral of data is mandatory and non-conferral will result in the impossibility of proceeding with the evaluation of the application, as well as in the impossibility to perform the fulfillments consequent and inherent to the international selection procedure.

4. The personal data will be processed, in conformity with applicable laws, with the use of security measures to ensure the confidentiality of the data subject to whom the data refer.

5. The data controller is the Foundation, based in Pavia, whose functions are exercised by the Supervisory Board. Those authorized to process data are the members of the Supervisory Board as the body in charge of evaluating the applications for the position of Director pursuant to Article 12, paragraph 2, letter a) of the Foundation’s by-laws. Personal data may be disclosed to other public and private entities as required by the applicable laws or regulations.

6. Personal data may be disclosed in compliance with the resolutions of the Italian Data Protection Authority (Autorità Garante per la protezione dei dati personali). The name of the candidate selected by the Supervisory Board at the end of the procedure, who will be proposed to the competent Ministries for the appointment as Director of the Foundation, will be disclosed, in accordance with the principles of relevance and non-excessiveness, through its publication on the institutional website of the Foundation.

7. The data subject may exercise, under the conditions and within the limits set forth in Regulation (EU) 2016/679, the rights provided for in Articles 15 et seq. thereof, namely: access, rectification or erasure, restriction of processing, portability, object to processing. The data subject may also exercise the right to lodge a complaint with the Italian Data Protection Authority.

8. Such rights may be exercised towards the Foundation.
